## Section 4. PROCESS AND ADMINISTRATION

4.1 Responsibilities of the Administrator. The responsibilities of the Administrator include:

Determining the eligibility of the businesses and/or property owners for the tax credits under the Program.

Notifying the Montgomery County Department of Finance that the applicant is eligible for property tax credits in accordance with the Program.

Preparing an Annual Report by January 15 of the calendar year following adoption of these Executive Regulations and each subsequent January 15, thereafter, so long as the Program is in effect. The Annual Report will be sent to the Montgomery County Council. Acting as the principal point of contact between the public and Montgomery County with respect to questions about the Program.

Developing applications for tax credits in the Zone.

Marketing and promoting the Zone to businesses.

4.2 Application and Reporting Requirements. Business entities must complete an application for, and report annually on, their property tax credits. The forms will be provided by the Administrator. The application(s) must provide evidence that qualification standards have been met. At a minimum, the application(s) must contain the following information:

4.2.1 Name and address of the business, type of business (corporation, partnership, etc.), and NAICS code.

4.2.2 A description and date of completion of the improvement, certification of the costs of the new construction or renovations and the party responsible for payment thereof, a copy of Certificate of

Occupancy if the area being improved is presently occupied, and any other information the Administrator may deem necessary to determine eligibility or compliance with these regulations.

4.2.3 Business entities seeking property tax credit on the next applicable July 1 tax bill must apply by December 10 of the preceding year in order for the Administrator to certify the property's eligibility by December 31 of the preceding year. A business entity may file an application for pre-certification of eligibility for property tax credit on a form provided by the Administrator prior to making the Minimum Qualifying Capital Investment in order to determine in advance whether such investment will be eligible. In this case, the Administrator will send a notice of pre-certification to the applicant. In no case will certification be granted until the Minimum Qualifying Capital Investment is completed.

4.2.4 Business entities receiving property tax credit must use a form provided by the Administrator to report the, dollar value of the tax credit. This form should also be provided to the landlord within 30 days of payment of the property taxes.

4.2.5 Failure to submit information required in this section 4.2 may result in a notification of incomplete application insufficient for determining eligibility. Failure to comply with the requirements may result in decertification of eligibility for tax credit.

## **Section 5. GENERAL CONDITIONS**

5.1 Businesses currently located within the boundaries of the Zone, or new businesses that locate there, must meet the qualification standards set forth in these Executive Regulations in order to be certified by the Administrator as eligible to receive tax credits under the Enterprise Zone Program. The following general conditions must be met:

5.1.1 The business activity conducted on the property must constitute a legal use of the property.

5.1.2 The property must be current with respect to payment of real property taxes and the business must be current with respect to payment of income and personal property taxes.

5.2 Any business entity located in the Zone before March 18, 2014 may not benefit from the tax credits and other incentives of the Enterprise Zone Program except with respect to any capital investment occurring after March 18, 2014. Any new construction assessed in the tax year immediately preceding the tax year for the first credit is excluded from the tax assessment.

5.3 Property tax credits do not apply to Parking District Taxes and Urban District Taxes.

5.4 Location in the Zone or certification of eligibility for tax credit does not relieve businesses from building codes, zoning requirements and other regulations applicable to the property or business.

5.5 A property tax credit will only be applied against the amount of increase in a property tax assessment that results from a Minimum Qualifying Capital Investment.

## Section 6. ELIGIBILITY REQUIREMENTS AND QUALIFICATION STANDARDS.

6.1 Credits will apply to increased property tax based on an increase in the assessed value of the property. Benefits will be triggered by increased assessment subsequent to a Minimum Qualifying Capital Investment in property in the Zone. Businesses seeking property tax credits must meet the following requirements:

6.2 The tax credit is granted on whole taxable years only. A business will have to pay any partial-year levy tax bills should the property improvement be assessed as complete before July 1 of the first year of eligibility. The business will then receive the tax credit for five full years. Tax credits will be calculated in accordance with MD. CODE ANN., TAX-PROP. § 9-103.

6.3 Businesses must make a Minimum Qualifying Capital Investment in the property through sources other than government grants. A Minimum Qualifying Capital Investment may include improvements made with funds obtained through government loan programs.

6.4 The Minimum Qualifying Capital Investment is ten dollars (\$10) per square foot of building floor area improved, and at least 20 percent of the total building floor area must be improved.

6.5 If the property consists of a commercial/residential mixed use development, the Department will allocate the eligible assessment to the nonresidential part of the qualified property at the same percentage as the square footages of the nonresidential part is to the total square footage of the building.

6.6 For purposes of calculating the amount of the credit allowed, the amount of the property tax imposed on the eligible assessment will be calculated by the Department without reduction for any credits allowed under the Tax-Property Article.

6.7 Construction of new parking facilities or improvements to existing parking facilities are not eligible for tax credit, except where such parking facility is an integral part of the new building construction or improvement of an existing building.
